(20) Assume the same facts as in question (19). Further assume that O no longer wants C to do the electrical wiring in the house. C has the following possible remedies against O:

- (a) An order for specific performance that allows C entry into O's house in order to do the electrical wiring.
- (b) A claim for damages for any loss suffered by C.
- (c) A claim for the cancellation of the contract after a notice of rescission has been sent to O.
- (d) A claim for the cancellation of the contract after a letter of demand and a notice of rescission have been sent to O.

1 (a), (b) and (c).

2 (a), (b) and (d).

3 Only (a).

4 Only (b).

5 None.

(2)

(20) Veronderstel dieselfde feite as in vraag (19). Veronderstel verder dat O nie langer wil hê dat C die elektriese bedrading in die huis moet doen nie. C het die volgende moontlike remedie(s) teen O:

- (a) 'n Eis vir spesifieke nakoming wat C toegang verleen tot O se huis om die elektriese bedrading te kan doen.
- (b) 'n Eis vir skadevergoeding vir enige verlies gely deur C.
- (c) 'n Eis vir die kansellasie van die kontrak nadat 'n kennisgewing van ontbinding aan O gestuur is.
- (d) 'n Eis vir die kansellasie van die kontrak nadat 'n aanmaning en 'n kennisgewing van ontbinding aan O gestuur is.

1 (a), (b) en (c).

2 (a), (b) en (d).

3 Slegs (a).

4 Slegs (b).

5 Geeneen nie.

- (21) Jean, a builder, and Mike agree that Jean will build a house on Mike's stand for R800 000 and that Jean will only be paid after completion of the house, which must be no later than 1 August. On 1 August the house is only 80% complete. Mike refuses to pay Jean any money as he believes that Jean is in breach of contract. It will cost R300 000 to complete the house. Mike's refusal amounts to
- 1 repudiation.
  - 2 positive malperformance.
  - 3 prevention of performance.
  - 4 *mora debitoris*.
  - 5 none of the above. (2)
- (21) Jean, 'n bouer, en Mike kom ooreen dat Jean 'n huis op Mike se erf sal bou vir R800 000 en dat Jean slegs betaal sal word na voltooiing van die huis wat nie later as 1 Augustus mag wees nie. Op 1 Augustus is die huis slegs 80% voltooi. Mike weier om Jean enige geld te betaal omdat hy glo dat Jean kontrakbreuk gepleeg het. Dit sal R300 000 kos om die huis te voltooi. Mike se weiering kom neer op
- 1 repudiëring.
  - 2 positiewe wanprestasie.
  - 3 onmoontlikmaking van prestasie.
  - 4 *mora debitoris*.
  - 5 geeneen van bogenoemde. (2)
- (22) Assume the same facts as in question (21). Should Jean want to pursue a claim against Mike,
- 1 she may be successful in claiming a reduced amount: the difference between R800 000 and R300 000.
  - 2 she may be successful in claiming the full amount of R800 000.
  - 3 she may be successful in claiming 80% of R800 000, as she (Jean) completed building 80% of the house.
  - 4 she may be successful in claiming 80% of R800 000, only if she is willing to complete the remainder of the house at no extra cost.
  - 5 she will be unsuccessful in claiming any amount, because she (Jean) did not complete the house by 1 August. (2)

- (22) Veronderstel dieselfde feite as in vraag (21). Indien Jean 'n eis teen Mike wil instel,
- 1 sal sy moontlik daarin slaag om 'n verminderde bedrag te eis: die verskil tussen R800 000 en R300 000.
  - 2 sal sy moontlik daarin slaag om die volle bedrag van R800 000 te eis.
  - 3 sal sy moontlik daarin slaag om 80% van R800 000 te eis, omdat sy (Jean) 80% van die huis voltooi het.
  - 4 sal sy moontlik daarin slaag om 80% van R800 000 te eis, slegs as sy gewillig is om die res van die huis te voltooi teen geen verdere koste nie.
  - 5 sal sy nie daarin slaag om enige bedrag te eis nie, omdat sy (Jean) nie die huis teen 1 Augustus voltooi het nie. (2)
- (23) X donates R100 000 to Y as soon as Y's husband dies. This donation is subject to a
- 1 suspensive condition.
  - 2 supposition.
  - 3 *modus* (modal clause).
  - 4 suspensive time clause.
  - 5 resolute time clause. (2)
- (23) X skenk R100 000 aan Y sodra Y se man te sterwe kom. Hierdie skenking is onderworpe aan 'n
- 1 opskortende voorwaarde.
  - 2 veronderstelling.
  - 3 *modus* (lasbepaling).
  - 4 opskortende termyn.
  - 5 ontbindende termyn. (2)

- (24) ABC Limited donates money to the XYZ Municipality. The grant is subject to the proviso that the money be used to build a clinic for the local community. The donation is subject to
- 1 a resolute condition.
  - 2 a *modus* (modal clause).
  - 3 a stipulation for the benefit of a third party.
  - 4 either 1 or 2.
  - 5 either 2 or 3. (2)
- (24) ABC Beperk skenk geld aan die XYZ Munisipaliteit. Die skenking is onderhewig daaraan dat die geld gebruik moet word om 'n kliniek te bou vir die plaaslike gemeenskap. Die skenking is onderhewig aan
- 1 'n opskortende voorwaarde.
  - 2 'n *modus* (lasbepaling).
  - 3 'n beding ten behoeve van 'n derde.
  - 4 óf 1 óf 2.
  - 5 óf 2 óf 3. (2)
- (25) X orders medication from a pharmacy but the pharmacy indicates that it only has the generic version of the medicine which X requires in stock. X indicates that he will accept the generic medicine. This is an example of:
- 1 novation.
  - 2 *in solutum datio*.
  - 3 settlement.
  - 4 release.
  - 5 none of the above. (2)

- (25) X bestel medisyne by 'n apteek maar die apteek dui aan dat hulle slegs die generiese weergawe van die medisyne in voorraad het. X dui aan dat hy die generiese medisyne sal aanvaar. Hierdie is 'n voorbeeld van:

- 1 novasie.
- 2 *in solutum ratio*.
- 3 skikking.
- 4 kwytskelding.
- 5 geeneen van bogenoemde nie.

**QUESTION 3 / VRAAG 3**

X, an organiser of art exhibitions, contracted with Y for an exhibition to be held on 24 to 27 July. These dates were the only dates mentioned during the negotiations. After having been pressurized by X, Y hurriedly signed the standard form contract without reading it. The contract contained a clause permitting X to change the dates of the exhibition unilaterally. Thereafter X changed the dates. X had no reason to believe that Y would have signed the contract if he had known of the term. Y averred that the contract was void. Will Y succeed in his attempt to have the contract set aside? Substantiate your answer. Refer to *George v Fairmead (Pty) Ltd 1958 (2) SA 465 (A)*, *Du Toit v Atkinson Motors Bpk 1985 (2) SA 893 (A)*, *Allen v Sixteen Stirling Investments (Pty) Ltd 1974 (4) SA 164 (D)*, *Sonap Petroleum (SA) Ltd (formerly known as Sonarep (SA) (Pty) Ltd v Pappadogianis 1992 (3) SA 234 (A)* in your answer. (15)

X, 'n organiseerder van kunstentoonstellings, het met Y gekontrakteer vir 'n tentoonstelling wat 24 tot 27 Julie gehou sou word. Hierdie datums was die enigste datums wat tydens die onderhandelings genoem is. Nadat X druk op Y geplaas het, het Y haastig die standaardvormkontrak geteken, sonder om dit te lees. Die kontrak het 'n klousule bevat wat X toegelaat het om eensydig die datums van die tentoonstelling te verander. Hierna het X die datums verander. X het geen rede gehad om te glo dat Y die kontrak sou geteken het indien hy bewus was van die beding nie. Y het beweer dat die kontrak nietig was. Sal Y slaag in sy poging om die kontrak ter syde gestel te kry? Motiveer u antwoord. Verwys na *George v Fairmead (Pty) Ltd 1958 (2) SA 465 (A)*, *Du Toit v Atkinson Motors Bpk 1985 (2) SA 893 (A)*, *Allen v Sixteen Stirling Investments (Pty) Ltd 1974 (4) SA 164 (D)* en *Sonap Petroleum (SA) Ltd (formerly known as Sonarep (SA) (Pty) Ltd v Pappadogianis 1992 (3) SA 234 (A)* in u antwoord. Discuss with reference to *Jajbhay v Cassim* 1939 AD 537 and other relevant case law. (15)
