## LEGISLATION TO BE STUDIED

You should study the Companies Act, 2008, and the Companies Regulations, 2011, from the original source and focus on all the important sections.

Flag all the important sections indicated in tables 1 and 2 in your copy of the Companies Act, as amended, and in the Companies Regulations, 2011. In this way, you will find the sections easily when studying.

## - Companies Act 71 of 2008

Table 1, includes all the examinable sections of the Companies Act.
