WELCOME TO INSIGHT EDUCATION ONLINE LEARNING

Registering with Insight Education Online Learning gives you access to all of our current and future free courses. Not ready to take a course just yet? Registering puts you on our mailing list - we will update you as courses are added.

NEXT STEPS

As part of joining Insight Education Online Learning, you will receive an activation email. You must click on the activation link to complete the process. Don't see the email? Check your spam folder and mark Insight Education Online Learning emails as 'not spam'. At Insight Education Online Learning, we communicate mostly through email.

NEED HELP?

Need help in registering with Insight Education Online Learning? [View our FAQs for answers to commonly asked questions.](#) Once registered, most questions can be answered in the course specific discussion forums or through the FAQs.

Complete ALL the fields as required.

(VERY IMPORTANT: Make use of your UNISA student number.)

Do not enter anything (ex. name, surname etc.) but your student number into the "Student Number" field.

Once all fields have been completed and both check boxes have been checked you can click on "Create My Insight Education Online Learning Account".

Thanks for Registering!

You've successfully created an account on Insight Education Online Learning. We've sent an account activation message to madelie.sny@gmail.com. To activate your account and start enrolling in courses, click the link in the message.

Open "insight.portal.education.rocks/courses/InsightEducation/ACC1/V1/courseware/2087b4e0c5304e91b32e85f2388c44fe/817a5669a5824ed484a77fecd20a13e3/" in a new tab

In the "Courseware" section you will see the business cycles displayed on the left side of the screen. Each business cycle has two components of content. The default component is an illustrative video of the particular cycle. Above the video is a button showing an option to play the interactive summary for the particular cycle. When you click on this button, it directs you to the second component of the cycle (illustrated in the below slide).

This illustration is the interactive summary of the particular business cycle. You can click on the sections within this component to explore the business cycle in depth!

We hope that you enjoy this content, and that it may help you throughout your studies! Be sure to know that we will add on to what is already included there, so as to help you even further! We will keep on innovating, and find solutions for the topics you struggle with! You are also more than welcome to keep in touch with us for any suggestions, new ideas, issues etc. by simply emailing us at support@insighteducation.co.za.

Good luck with your studies, we share this journey with you!

Warm regards,

Insight Education
