

Dear Students,

It is time to begin with Assignment 5. Below are the guidelines you need to follow when you compile your PowerPoint presentation.

Note that your presentation should have a maximum of 10 slides.

Slide 1 (Presenter Info and Topic slide)

This slide should contain the information of the presenter and the topic.

For Example

Slide 2 (Table of contents slide)

To ensure logical presentation of ideas, slide 2 should have a table of contents

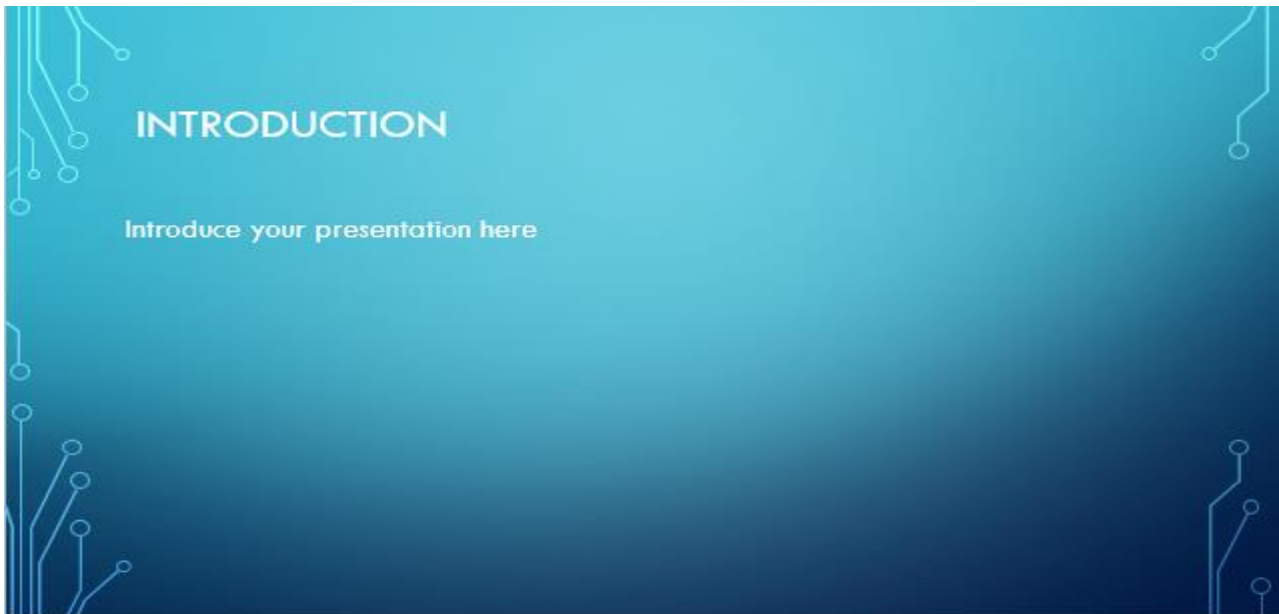

For example

Slide 3 (Introduction Slide)

In summary form, indicate what the presenter will be presenting to the audience. The introduction should capture the anxiety of the audience.

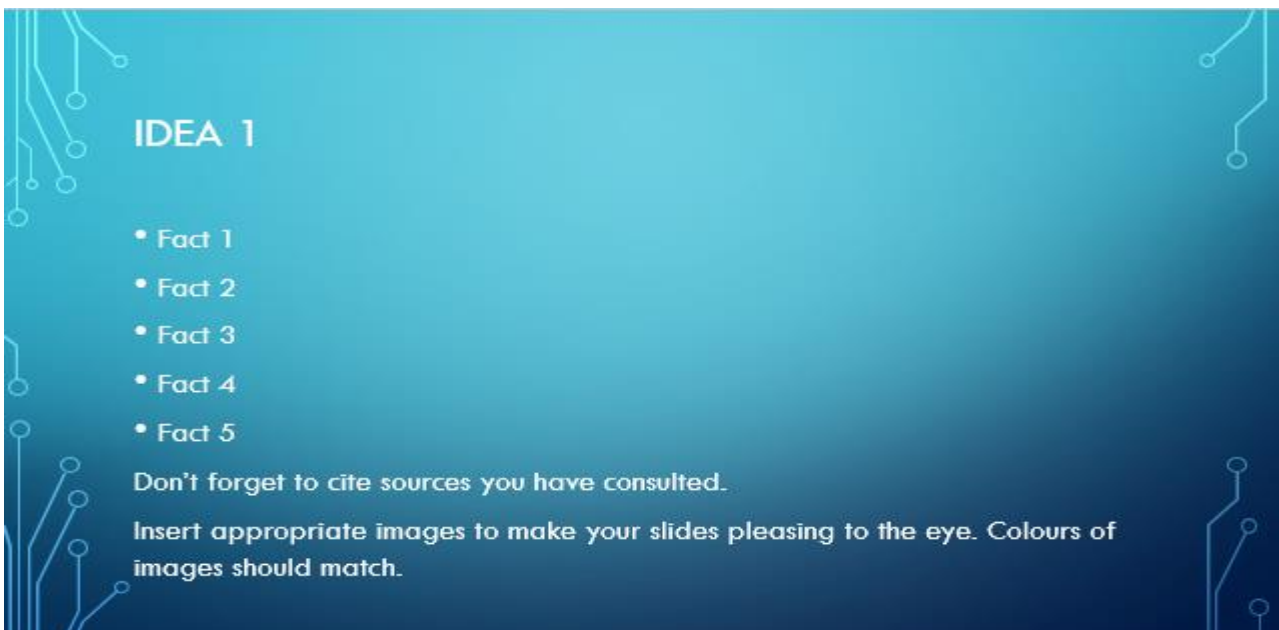

For example,

Slide 4 (Idea 1)

In point form, list all facts that motivates your first idea as to how you could provide equal educational opportunities for learners from diverse backgrounds. Facts should not be more than five.

For Example

Slide 5 (Idea 2)

In point form, list all facts that motivates your first idea as to how you could provide equal educational opportunities for learners from diverse backgrounds. Facts should not be more than five.

NB. The format of this slide is the same as the format of slide 4. Slides 6 to 8 should also take the same format.

Slide 6 (Idea 3)

In point form, list all facts that motivates your first idea as to how you could provide equal educational opportunities for learners from diverse backgrounds. Facts should not be more than five.

Slide 7 (Idea 4)

In point form, list all facts that motivates your first idea as to how you could provide equal educational opportunities for learners from diverse backgrounds. Facts should not be more than five.

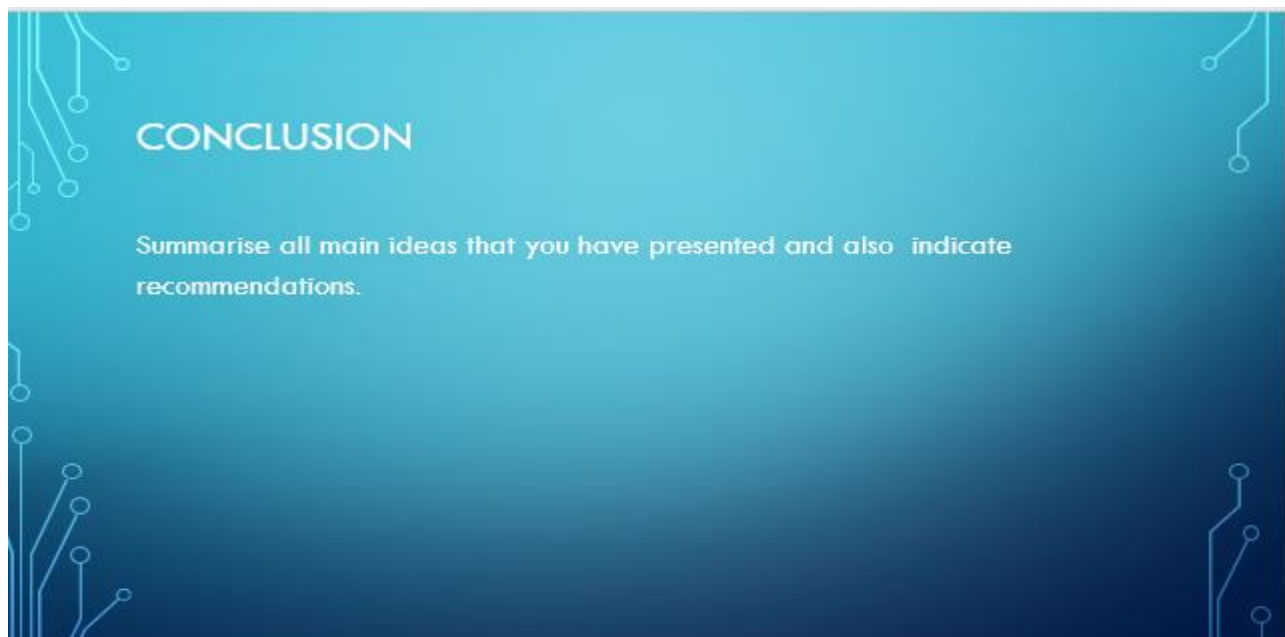

Slide 8 (Idea 5)

In point form, list all facts that motivates your first idea as to how you could provide equal educational opportunities for learners from diverse backgrounds. Facts should not be more than five.

Slide 9 (Conclusion)

Summarise all main ideas that you have presented and indicate a way forward in this slide.

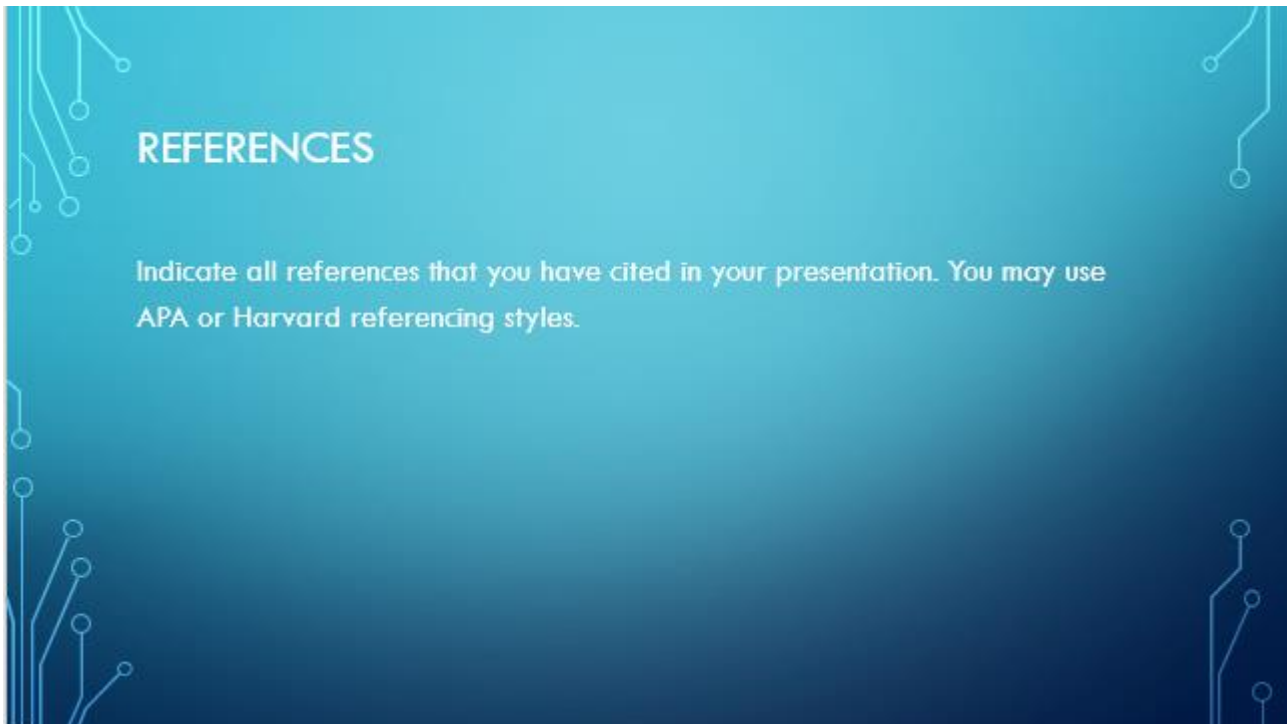

For Example

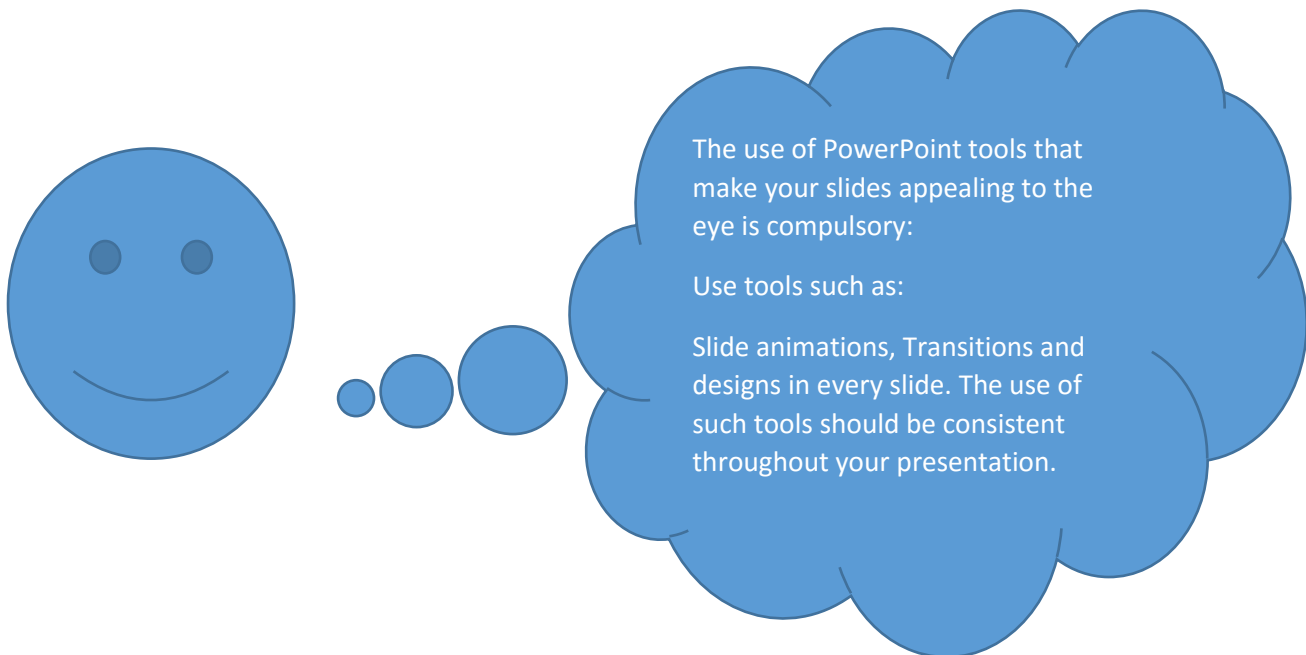

Slide 10 (References)

Indicate all references that you have cited in your presentation. You may use APA or Harvard referencing styles.

For example

Note the following:

Good Luck!
