

Assignment 7\_Portfolio  
INSTRUCTIONS TO PORTFOLIO  
SUMMATIVE ASSESSMENT

This is your final assessment for this module. Make sure your portfolio is well organized, appealing and compiled with care. In this portfolio, you need to demonstrate and apply the knowledge and skills that you acquired over a period of participating in this learning process.

Creating an online portfolio is the way of providing evidence, revealing your professionalism and expanding your professional knowledge and skills. Your portfolio does not have to be complicated and difficult to assess. Remember to **KEEP IT SIMPLE AND STRAIGHT**.

Please compile your portfolio using **Word Processor** and **convert your file into pdf** when you are done.

The following should make up your portfolio:

*Folder 1:*

Cover Page:- Your name; Module Code and Student Number (1 page)

*Sub-Folder 2:*

Table of Contents Page (1 page)

*Sub-Folder 3:*

Reflect on the seven (7) roles of a good teacher you read about in this module, giving examples of each. (2 pages)

*Sub-Folder 4:*

Of the six assignments, you submitted, **select one** best assignment from the six and **motivate your selection**. Support your selections with **critical reflections**. ( 1 and Half pages)

*Sub-Folder 5:*

In every learning experience, there are **challenges and intricacies** you encountered as a student.

- i) What was the **greatest difficulty you experienced in all the assignments** you were requested to submit?
- ii) Give an **example of the assignment** you found difficult to do and **explain why?**
- iii) Describe **what you did to overcome the problem** you mentioned above.

( +-2 pages)

**Sub-Folder 6: Self-Reflection**

- i) Give at least **three academic reasons** that suggest this online module has empowered you. **Explain how and give examples** in each case. (+ 2 Pages)
- ii) What is your **overall impression** of the module “Being a Professional Teacher (BPT1501)? ( 1 and Half pages)

**Your completed Portfolio is expected to be 10 or 11 pages long.**

Please NOTE the following:

- A portfolio is an Examination. If you miss the submission date, it means you didn't write an examination and therefore you fail the module automatically.
- There is No Extension for submission date. No Negotiation for an extension will be accepted. Under NO circumstance will I grant extension to any student.
- **The closing date is 19-October-2018.**
