**ENGINEERING MANAGEMENT II B**

Dear student,

Welcome to the 2<sup>nd</sup> (myUnisa) tutorial of the 1<sup>st</sup> semester of 2018.

Please note that the myUnisa tutorials do not replace the assignments that you will find in tutorial letter 101. These are additional exercises that will help you to master the content of the course.

Please read through the following questions and attempt them. Study chapter 6 of the prescribed book if you do not know how to answer them.

**Required**

Please download the workbook from “Additional resources” on myUnisa and answer the following workbook questions. Upload your answers to myUnisa:

6C2.2	6C.2.3	6C.3.1
6C.4.2	6C.5.1	6C.5.4
6C.11.3	6C.13.2	6C.14.1
6C.17.1	6C.17.5	6C.17.6

Go to “discussion forums” to upload your answers (and then click on “Forum 3 – Tutorial discussions”). You will find guidelines there on how to do it. Upload your answers to myUnisa so that other students can comment on them. The idea is that students learn from one another and together produce better solutions.

I will provide suggested solutions to the questions if at least one student uploaded his/her answers to myUnisa.

Please consider the due dates provided for the assignments and tutorials and keep up to date.

Regards,

Wilhelm (Willie) P. Nel
