

(myUnisa) TUTORIAL 4

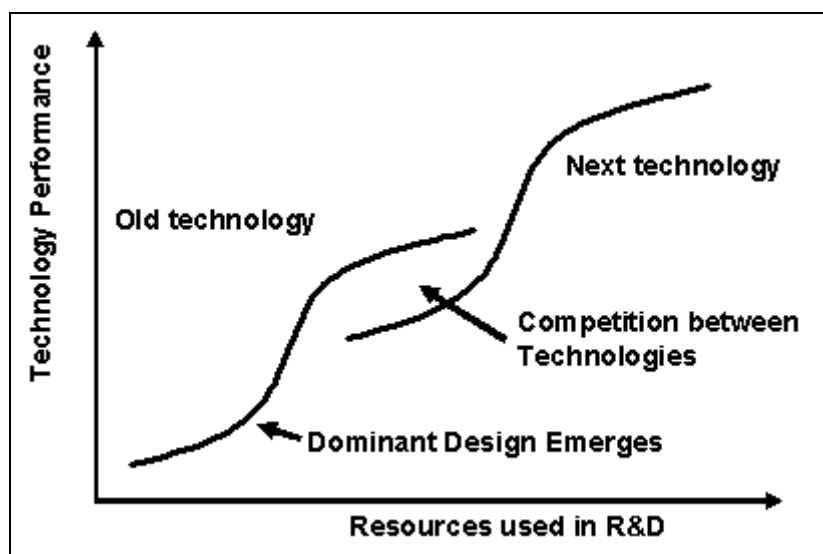

Semester 1 of 2018

BASED ON CHAPTER 12 of the prescribed book
Information systems and the Engineer

Due date: 20 February 2018

ENGINEERING MANAGEMENT II B

EMA2602

Dear student,

Welcome to the 4th (myUnisa) tutorial.

Please note that the myUnisa tutorials do not replace the assignments that you will find in tutorial letter 101. These are additional exercises that will help you to master the content of the course and prepare for the examination.

Please download the workbook from myUnisa and read through the following questions and attempt them. Study chapter 12 (ICT) of the prescribed book if you do not know how to answer them.

Required

Please answer the following workbook questions:

12C.1.2	12C.2.1
12C.2.2	12C.3.1
12C.4.1	12C.5.1
12C.8.2	12C.8.4
12C.9.1	12C.10.3
12C.10.5	12C.10.7
12C.10.8	

Go to “discussion forums” to upload your answers (and then click on “Forum 3 – Tutorial discussions”). You will find guidelines there on how to do it. Upload your answers to myUnisa so that other students can comment on them. The idea is that students learn from one another and together produce better solutions.

I will provide suggested solutions to the questions if at least one student uploaded his/her answers to myUnisa.

Please consider the due dates provided and keep up to date.

Regards,

Wilhelm (Willie) P. Nel

Senior Lecturer, School of Engineering
