Michael Jackson arrived. He came with his entourage. Many people came to Johannesburg airport to welcome this world famous person. As he was getting off the plane, people became very excited about him. Some were seen taking out autographs so that Michael could sign his name. There were also some children who were dressed just like him, singing and dancing like him. Although Michael was tired, he raised his hand to the people to show them his appreciation. He wore his favourite colours, a beautiful red jacket, a white shirt, black pants and black pointed shoes. He also wore his usual dark glasses.
