John Brown and Peter Smith have been in a permanent same-sex relationship for many years. They have always dreamt of getting married one day, but unfortunately for them the definition of marriage in South African law did not include permanent same-sex relationships. They were delighted when the Constitutional Court decided in 2005 that these relationships must also be included in the definition of marriage. The court decided that the definition of marriage, in terms of the common law and the Marriage Act 25 of 1961, is unconstitutional. John and Peter were even more delighted when the Civil Union Act 17 of 2006 came into operation at the end of 2006.

## MARK READING SHEET INSTRUCTIONS

Your mark reading sheet is marked by computer and should therefore be filled in thoroughly and correctly

### USE ONLY AN HB PENCIL TO COMPLETE YOUR MARK READING SHEET

*PLEASE DO NOT FOLD OR DAMAGE YOUR MARK READING SHEET*

Consult the illustration of a mark reading sheet on the reverse of this page and follow the instructions step by step when working on your sheet

Instruction numbers ① to ⑩ refer to spaces on your mark reading sheet which you should fill in as follows

- ① Write your paper code in these eight squares, for instance

P	S	Y	1	0	0	-	X
---	---	---	---	---	---	---	---

- ② The paper number pertains only to first-level courses consisting of two papers

WRITE 

0	1
---	---

 for the first paper and 

0	2
---	---

 for the second. If only one paper, then leave blank

- ③ Fill in your initials and surname
- ④ Fill in the date of the examination
- ⑤ Fill in the name of the examination centre
- ⑥ WRITE the digits of your student number HORIZONTALLY (from left to right). Begin by filling in the first digit of your student number in the first square on the left, then fill in the other digits, each one in a separate square
- ⑦ In each vertical column mark the digit that corresponds to the digit in your student number as follows [-]
- ⑧ WRITE your unique paper number HORIZONTALLY  
NB Your unique paper number appears at the top of your examination paper and consists only of digits (e.g. 403326)
- ⑨ In each vertical column mark the digit that corresponds to the digit number in your unique paper number as follows [-]
- ⑩ Question numbers 1 to 140 indicate corresponding question numbers in your examination paper. The five spaces with digits 1 to 5 next to each question number indicate an alternative answer to each question. The spaces of which the number correspond to the answer you have chosen for each question and should be marked as follows [-]
- ◆ For official use by the invigilator. Do not fill in any information here
